OFFICE OF LEGISLATIVE COUNSEL

Friday - 28 August 1964

25X1 1. [] Returned to the Defense Subcommittee of House Appropriations the corrected original of the transcript of the Director's testimony on 12 August 1964. Corrections were made on a carbon copy which will be retained by this Office.

25X1 2. [] Left with Representative Bob Wilson's office unclassified material concerning [] in response to his inquiry for information on this individual.

I mentioned the fact that the Congressman's office had also been in touch with State Department about this. I indicated we had been in touch with the Department and they would not be making a separate response. Mr. Leahy, in the Congressional Relations office of State, was so advised.

25X1 3. [] Met briefly with Mr. Benny Kass, Counsel, and Jack Matteson, Chief Investigator, Foreign Operations and Government Information Subcommittee. Mr. Kass advised that the Committee meeting scheduled for last Wednesday had been canceled and that the meeting will be rescheduled for the 2d, 9th, 16th, or 23rd of September for review and adoption of a Committee report on polygraph hearings. Mr. Kass had no information whether Mr. Griffen intends to propose a minority report.

Mr. Matteson indicated that he had covered the matter of FBI area books only in part with Mr. Moss. At present he does not feel, however, that any additional information will be required. (See Journal item of 14 Aug 64 for details.)

25X1 4. [] I attempted to see Mr. John Martin, Assistant Chief Counsel, House Ways and Means Committee, concerning the completion of Committee hearings on H.R. 7216 after the Democratic Convention recesses. Mr. Martin was away until Monday at which time I will attempt to see him.
